

WHAT IS SECOND MEDICAL OPINION SERVICE (SMO)?

GlobeMed Egypt offers its insured members access to the second medical opinion service. Insured members have the opportunity to get a review of their diagnosis by an expert in the relevant field. They can book a second consultation to confirm the first diagnosis of their case and to avoid any possible misdiagnosis.

WHY SECOND MEDICAL OPINION SERVICE?

SMO service may lead to major changes in diagnosis, treatment and prognosis. The SMO service allows the opportunity to:

- ✓ Avoid unnecessary surgeries
- ✓ Reduce healthcare costs
- ✓ Confirm the previous diagnosis while assessing the treatment plan.
